## Warren Cadets in Action

The month of June was a busy one for our young Cadets. The Waterside (Southampton) Open event saw Bruce Yao, Eve Whittaker and Charlotte Marsden take part in the U/13 event. All did very well in this their first real tournament with Bruce winning four of his singles in the two competitions played all against more experienced opposition. The girls were not to be outdone either as they battled in a round robin group of nine. Charlotte managed a victory and took a leg off the eventual semi finalist Victoria Coll (Oxon) whilst Eve in her final game of the day saved her best till last with an impressive victory against stern opposition in a girl from London's Greenhouse club coming through 11-9 in the fifth and finishing with two fine smashes.

The following week saw these three joined by Charlie Sheppard and Cian Armstrong for the Harlow Banded event. Once again it was Bruce doing exceptionally well winning his group in the boy's Band 3 and only going out at the Quarter-Final stage. Charlie finished 3<sup>rd</sup> in what turned out to be a really tough group but gave his all in just losing out to the eventual group winner. Cian at only nine years old thoroughly enjoyed himself and gained valuable experience.

In the girls Band 2 event both Charlotte and Eve finished in 3<sup>rd</sup> place in their respective two groups of five. After matches to determine final placings it became a really tight affair with Charlotte just taking 5<sup>th</sup> place from Eve who finished one behind in sixth.

All cadets should be congratulated on their performances at these events where wins are always hard to come by especially when you are just starting out on your table tennis journey. All showed determination; resolve and tremendous character and the club's future would look to be in safe hands.

## **Cobb Cup Final**

Warren B ; Isaac Beevor, John McCance & Marek Mastalerczyk  
Broadway K; Chris Hart, Richard Hart & Luke Barry

I witnessed Broadway K in an earlier round in this handicap cup competition and remarked then that they would win the event being well handicapped for their standard of play. This came true in the final as our B team struggled to keep Broadway down to four points a leg. That said, we were still in contention with a couple of games to go being just 24 points behind. Isaac had produced some fine play being far too sharp for his opponents whilst both John and Marek had produced good individual performances at times through the evening. The turning point came late on as John was desperately unlucky to face a row of net cords from his opponent Luke in a game that was always going to be difficult anyway. At the close it became apparent that we had just lost out by 16 points. Never mind lads, there is always next season.

## **Let Loose in London**

To mark the opening of John's (our club coach) club Crown & Manor in London we took a mini bus full of excited youngsters to that picturesque part of town better known as Islington for a series of matches against the local talent. Whilst most played in an all comers competition we did take an A team squad to play against similar opposition.

Sadly this squad became much depleted as we lost Robert Chapman a few weeks before followed by the sudden withdrawal of both James Abrams and Yu Ning Tzeng on the day. However, we remained undaunted and the replacements namely Jai Gu and Amit Shah performed well and did not let their more experienced team partner, Pooja Sharma, down. Unfortunately we could not secure a victory against stern Crown & Manor opponents although Pooja remained unbeaten on the night seeing off Crown's No 1 player 8-11, 11-9, 13-11 in an exciting finale.

Everybody that took part thoroughly enjoyed themselves as the noise in the bus coming home testified to. Extended thanks should go to Andrew Whittaker for securing the bus and driving it on the night and daughter Eve for leading the entertainment on the way back.

## **Waste Bins at Wymondley**

Would all members please take note of the following message from John Laflin the custodian of the Wymondley venue.

"I have put a recycling notice above the bin in the kitchen, that it should only be used for recyclable waste, not food or plastic bags which should go in the bins outside. I suppose we are all familiar at home with all the new waste disposal regulations. I put the notice up because the refuse collectors left a note saying we were not using the bins properly".
